

Acme Corp Remote Work Handbook

2026 Edition

Welcome to Acme Corp. This handbook explains our remote work policy. It applies to all full-time employees and is reviewed each year by the People team.

1. Eligibility

Full-time employees become eligible for remote work after their first 90 days of employment. Contractors and interns require manager approval before working remotely.

2. Remote Schedule

Employees may work remotely up to 3 days per week. Working remotely for more than 3 days in a week requires written approval from your direct manager.

3. Core Hours

All employees must be available during core hours of 10:00 AM to 4:00 PM in their local time zone. Outside core hours you may arrange your schedule as needed to complete your work.

4. Equipment and Expenses

Acme provides a home office equipment stipend of \$500 per year. Employees may also claim an internet reimbursement of \$40 per month with a receipt.

5. Security

A company VPN is required when accessing internal systems from home. Using a password manager is mandatory. Confidential work must never be done over public Wi-Fi networks.

6. Meetings

Cameras are optional during video meetings. Meeting recordings are stored for 90 days and then automatically deleted.

7. Time Off

Employees receive 20 days of paid time off (PTO) per year. Please request PTO at least 2 weeks in advance through the HR portal.
